Community Centre Expansion Appeal

With the grace of Allah and your kind donations and support, MCEC has developed into a thriving mosque and community centre. We provide a wide range of religious, educational, social and community activities that are regularly used by our growing congregation.

There is an urgent need to expand our building to provide a dedicated community hall and extended prayer hall space for busy periods.

Please donate generously this Ramadan to help develop your community facilities for our future generations.

Please consider setting up a standing order of £5 to £50 per month.
